PERMATIMBER®

LOW MAINTENANCE. PRE-FINISHED. CLADDING

CX ORIGINAL CLADDING

PermaTimber® CX Original Cladding is a high-performance composite, which boasts minimal maintenance. Being far lighter than traditional external timber cladding products, our Cladding is faster and simpler to install. A full set of finishing trims are available for ease of install and a seamless finish.

Please ensure you download and read a copy of the **PermaTimber® Original CX Cladding** Installation guide prior to, and during your installation. Failure to do so will void your warranty.

You can download the guide by scanning the QR Code or visiting www.permacomposites.com/ brochure-installation-guide-library/
