Screws & Clips

Every product in the QuickBoard™ range comes equipped with clips, ensuring a seamless installation process. To secure the perfect fit, we recommend using needle point 6 or 8 gauge by 13mm counter-sunk screws or their equivalent.

For comprehensive guidance on installation, refer to our detailed installation guide available at www.permacomposites.com.

Elevate your project with QuickBoard™ – where convenience meets excellence.

FIXING CLIP

Fixing Clip – 0353703

Screws are to be purchased separately. Clips required for QuickBoard™ only.

Due to potential colour variation between batches, please ensure you always check the batch number prior to installation. It is not recommended to mix batches or lengths in the same area of installation. Colours may vary slightly between sample and final product.
