

DriftBoard™ is a lightweight, low-maintenance alternative to traditional timber linings. Made from PU composite a lightweight, low-maintenance alternative to traditional timber or MDF.

## Features

- **Unique Styling:** Each coloured board is unique, in order to mimic how traditional timber is always unique.
- **Stick and Forget:** Easy adhesive backing for each board to fix onto walls for installation.
- **Low Maintenance:** No oiling, painting or staining required.
- **Insect Resistant:** Never fear white ants or termites again.
