

146 CX

DUAL-SIDED DECKING

BEAUTY THAT LASTS
PERFORMANCE THAT ENDURES

KEY FEATURES

Reversible Dual-Finish Design:

Fully reversible profile, offering a choice between a sanded or heavy grain finish.

Insect and Salt Resistant:

Never fear white ants or termites again!

Quick & Easy to Install:

Thanks to our simple hidden fixing system.

UV Stabilised:

We've included UV inhibitors so colour holds.

Sleek Natural Look:

Get that traditional timber finish without the hassle.

Eco-Friendly:

Made from 87% recycled materials.

Non-Slip Surface:

Ideal for poolside and coastal locations.

Low Maintenance:

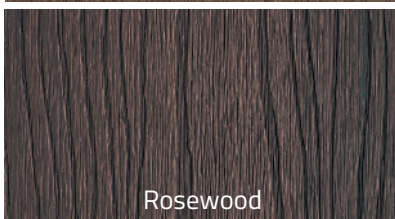

No staining, painting or oiling required. Scratches easily sand out.
